

## STRATEGIC PLAN 2021 - 2026

### Our Mission

CatholicCare listens and responds. We work together with local communities to build a stronger, fairer and kinder society that values children, young people, families and individuals. Through Christ's mission, we seek to provide opportunities for people to realise their individual potential.

### Our Vision

We aim for inclusive, just and strong communities where all people feel safe, validated, and that their voice is heard. We nurture and encourage strong relationships where the individuality and strengths of each person are respected, valued and celebrated.

### Our Strategic Themes

Our strategic direction is grounded in our mission to listen and respond. We have four intersecting themes that guide our focus for 2021 to 2026:

GROWTH

PEOPLE

GOVERNANCE

SUSTAINABILITY

## STRATEGIC PLAN 2021 - 2026

### Bringing this strategy to life

The work we do now will shape the success of CatholicCare over the next five years.

The successful implementation of our strategy requires:

- commitment from our community – our leadership, our staff, Council of Priests and our industry partners
- engagement across the agency and the Diocese
- focused initiatives and operational plans
- the development of capabilities.

*Everybody  
is Welcome.*
